PROFESSIONAL EXPERIENCE

Austin State Hospital, Austin, TX January 2026 – August 2026
Counseling Intern, Psychology Department

- Provided individual counseling to six adult clients in an inpatient psychiatric setting, treating diverse presenting issues including severe mental illness, substance use disorders, trauma-related disorders, psychosis and delusional beliefs, homelessness, trauma induced physical disability, and community reintegration following hospitalization.
- Facilitated psychoeducational and process groups utilizing evidence-based interventions, including Dialectical Behavior Therapy (DBT), Advanced DBT, grief support, self-care journaling, and interpersonal process groups to promote emotional regulation, insight, community building, and peer-based accountability.
- Developed individualized treatment goals that implemented trauma-informed, culturally responsive, person-centered interventions supporting stabilization, coping skill development, insight building, and successful transition planning for discharge into the community.
- Collaborate with multiple treatment teams of social workers, psychiatrists, mental health specialists, and peer support while continuing to advocate for clients best interests and coordinate comprehensive, recovery-oriented care.
- Received 236 direct and 267 indirect hours at this location for a total of 503 hours.

Christi Center, Austin, TX July 2025, January 2026 – August 2026
Counseling Intern, Adult and Child Services

- Facilitate multiple peer-based grief processing groups for specific types of grief, including loss of a child, loss of a spouse, and general loss
- Co-facilitated grief support groups for children ages 5–12, utilizing developmentally appropriate, play-based, and expressive interventions to help children understand and process grief.
- Provided individual grief counseling to three early adolescent clients, developing culturally responsive, developmentally appropriate interventions and activities that tailored to each client's understanding of loss to facilitate emotional processing.

- Served as a co-facilitator at Camp Zebra for two consecutive years, leading grief-focused activities and providing emotional support to bereaved children in a therapeutic camp setting.
- Received 99 direct and 135 indirect hours at this location for a total of 234 hours.

Texas State University Counseling Center, San Marcos, TX August 2025 – November 2025
Counseling Practicum Student

- Provided individual therapy to adults and children 4-9 years old by using child centered play therapy, sand-tray techniques, person centered counseling, or narrative therapy depending on each client's individual needs.
- Co-facilitate weekly group therapy for elementary-aged children at DeZavala Elementary by collaborating with Communities in Schools, implementing evidence-based interventions focused on emotional regulation, social skills, and self-esteem.
- Collaborate with supervisors, co-facilitators, and caregivers to adapt interventions and ensure a supportive, trauma-informed therapeutic environment for clients.

PREVIOUS WORK EXPERIENCE

Private Educator, Austin, TX July 2022 – December 2025
Personal Teacher, All Sections

- Home-school an 11-year-old boy who was unfit for a regular classroom due to anger management issues, anxiety disorders, and abnormally high academic performance
- Recommend actions based around adolescent psychology theories to parents for continued behavioral growth beyond the classroom
- Effectively transfer his behavior plans to a private high school, ensuring accurate communication between the new teachers and his parents

William Henry Harrison High School, West Lafayette, IN Jan 2022 - May 2022
Student Teacher, English Department

- Co-taught and then led 24-28 student 10th General ELA classrooms and 11th Academic American Literature classrooms for a total of 148 students
- Coordinated units on The Lord of The Flies, The Nickel Boys, and Ray Bradbury's Short Stories including creating assignments, quizzes, exams, and rubrics
- Co-taught in an English as a second language classroom

O'Brien Middle School, Reno, NV Aug 2021 - Dec 2021
Practicum, English Department

- Assisted and co-taught a 7th grade IEP heavy classroom
- Specialized in helping English language learners and students with disabilities become excited by education
- Incorporated numerous learning activities to reach students with their interests

Starbucks, Reno, NV Dec 2018 - Dec 2021
